If you choose not to take out UK travel insurance, then you accept responsibility for any loss that you may incur due to your cancellation.

Code of Conduct for those staying in properties at Lower Mill Estate

Lower Mill Estate is a nature reserve and family environment with a mix of owners and their families as well as a small number of rental properties. There are often lots of organised activities that we hope that you will want to join in and that will add to your enjoyment whilst staying here.

Naturally there are a number of 'rules' to ensure that the estate is a safe, secure and peaceful environment. A full set of rules will be located in the welcome pack in your house and on our web site, we ask that you familiarise yourselves with them on arrival, but we have summarised some key points for you below.

Quiet enjoyment and consideration for others

- Noise travels across water and to neighbours close by – please keep voices low when on decking/balconies.
- Be aware that the areas around other houses are private, do not walk around houses, or borrow/use equipment belonging to other properties.
- Be aware of 'light pollution' – turn lights low in the evening.
- No external amplified music – noise travels easily.
- Restricted internal amplified noise after 11pm. Terraced/attached houses – no music or excessive noise at all after 11pm. Please be especially considerate – children may be next door.
- No Fireworks – there are local organised events around bonfire night.

Wildlife and Estate Facilities

- Please do not feed any wild animals or wildfowl.
- If you plan to fish please read the Fishing rules first.
- Water activities on selected lakes only.
- We have a closed period on Somerford Lagoon from 1st October to 31st March (to protect the wildlife) and no boats are allowed on the lake.
- Some paths are also closed during this period – please look for signs.
- No Fireworks – the wildlife is easily scared.
- Dogs – please keep on lead within the villages and under control around the estate – please remove any fouling.

Safety and Facilities

- Speed Limit is 10 mph – please be aware there are children playing and pedestrians throughout the estate – a walking pace speed is ideal.
- Please display valid parking permits and use your allocated parking space – any other cars must be parked in the designated overflow car park areas.
- This is a safe environment but please know where your children are or are going when exploring the estate.
- Use of the Spa is included in your booking through Cotswold Family Holidays. Please ensure you collect your passes and sign in at reception on each visit. Please take care not to allow other people into the Spa.
- Please note the safety rules in the pools, saunas and play areas. Children must be accompanied by an adult at all times.
- Please be considerate to others in the Spa changing rooms, which can get crowded.

What might go wrong?

- Potential for loss of deposit for damage/noise/nuisance/breach of estate rules if you do not comply with the reasonable instructions of estate staff.
- Potential for 'eviction' if there is a serious or repeated breach of rules.
- Treat all estate staff with respect – be aware that the Warden has the power to evict for breach of rules.
- If you are disturbed by other guests contact Security on 01285 869184.
- You should not exceed maximum overnight occupancy as identified in your contract with the owner/agency.
